Dress Code

1. PURPOSE AND PHILOSOPHY

The Board of Trustees recognizes that student dress and grooming directly impacts the education of students. Experience and research have demonstrated that the learning atmosphere is improved when students dress and groom appropriately. Appropriate student dress and grooming promotes an effective learning environment free of unnecessary disruption and distraction. In addition, appropriate student dress and grooming helps increase school and student safety and security. Certain fads and extremes of dress and grooming tend to attract undue attention to an individual, and accordingly, interfere with or disrupt the educational process. The Board of Trustees emphasizes the importance of cooperation among school officials, parents/guardians, and students to ensure appropriate dress and grooming, and further recognizes that parents/guardians are primarily responsible for their students' dress and grooming. The Board of Trustees delegates to the school administration the responsibility to see that each student adheres to the dress and grooming standards set forth in this policy.

A higher standard of dress encourages greater respect for individual students and others and results in a higher standard of behavior. It also prepares students for the dress code requirements of the workforce. Our dress code requirements indicate appropriate school dress for normal school days. All students are expected to be in dress code at all times while on campus during school hours, during school events, or while on field trips or off-campus activities. MCPA dress code is intended to be strict enough to support the educational goals, vision, and standards upheld by the school, yet not so restrictive that families will find it difficult to abide by.

Dress Code adherence will be checked daily by teachers and administrators. Students are expected to remain in Dress Code clothing at all times while on campus, including before school and after school unless other permission is obtained from an administrator.

2. GENERAL STANDARDS

- 2.1 The school administration may determine that certain types of student clothing and grooming are prohibited which:
 - 2.1.1 Draws undue attention, distracts, disrupts, and/or interferes with the educational environment at school or at a school activity or event.
